Hi Fall Students

Please see the email below from a staffer and former intern in Congressman Pomeroy's office. While the Congressman represents ND, you should check out his interests/committees to see if they might be a match for you. Looks like you would have substantive projects and this could be a very good opportunity for those of you interested in a Capitol Hill experience. If you apply, please let me know. You can contact Christopher Cunningham ([cunningc@gmail.com](mailto:cunningc@gmail.com)) or [jenna.washburn@mail.house.gov](mailto:jenna.washburn@mail.house.gov) for more information. Thanks.

Subject: Fall Internships

The office of Congressman Earl Pomeroy (D-ND), for whom I currently work, is looking to hire interns for the Fall. They normally have a preference for North Dakotans, but have not had much success finding candidates for the Fall semester.

I was an intern here before getting hired and it is a really fantastic

place to intern. Interns are given real responsibilities as well as the more standard fare of giving tours, answering phones, etc. The Congressman is fantastic and takes the time to actually meet and get to know his interns. Of course the staff, which now includes myself, is also quite awesome.

Jenna Washburn is the intern coordinator for the office and is CCed on this email. Take care and enjoy your summer.
