Hi Fall Students

For you business/trade types here is another good internship opportunity. - Sara

STUDENT INTERNSHIP OPPORTUNITY

National Chamber Foundation (NCF) of the U.S. Chamber of Commerce

- The NCF mission is to drive the policy debate on key issues by formulating arguments, developing options and influencing thinking in an effort to move the American business agenda forward around the world. The Foundation serves policymakers and the business community by providing a forum where leaders can consider and advance new ideas that benefit American business.
- Among the issues studied by the National Chamber Foundation are: energy, health care, national security, the supply chain, technology, the workforce, immigration, transportation, corporate governance, social security and the economy.
- The NCF is part of the U.S. Chamber of Commerce, the world's largest business federation, representing nearly three million companies, 3,000 state and local chambers, 775 business associations and 85 American Chambers of Commerce abroad.
- The NCF has a prestigious board of directors, which includes senior executives from companies including General Electric, America Online, Korn/Ferry International, AT&T, and many others.

RESPONSIBILITIES INCLUDE:

- Research of key issues facing the nation and business.
- Helping to build the NCF marketing database through outreach programs
- Assisting in planning and executing events held by NCF
- Working with the Foundation's web site to better communicate with the business community

Key policymakers from throughout the DC area and around the world regularly participate in the events sponsored by the Foundation. These events focus on current national legislation and international issues, and it would be these issues which the intern would concentrate.

CONTACT INFORMATION:

- If interested, please send application, resume, cover letter and writing sample to ksawchuk@uschamber.com or call the intern coordinator, Kimberly Sawchuk at 202-463-5912.
