**RE:** UC Davis Washington Program Faculty Fellows, 2008-2009

**APPLICATION DEADLINE: March 3, 2008**

Proposals are now being accepted for a UC Davis Washington Program Faculty Fellowship for 2007-2008. Application may be made for one or two quarters (Fall 2008, Winter 2009, or Spring 2009).

Washington Program Faculty Fellowships are designed for faculty from all disciplines (a) whose research would significantly benefit from a period of residence in Washington, D.C., and (b) who are interested in teaching an upper division course during each quarter of residence (in seminar format) in the Washington Center's Undergraduate Program. Preference is given to faculty who incorporate the political, cultural, and/or artistic resources of Washington DC into their elective course.

Washington Program Faculty Fellows receive departmental teaching credit and regular salary, subject to agreement by their department chair. The department will be compensated by the Washington Program at a rate of \$6,000 per course. For a one-quarter Fellowship, the department will be compensated for one course. Fellows will receive a travel stipend to help defray expenses and are provided with an office and computer at the Washington Program. Faculty fellows will be provided with a housing allowance not to exceed \$1,565 per month. This allowance is subject to applicable tax laws.

Applications are open to all UC Davis teaching faculty. Applicants must submit: (1) a 2-3 page description of the research project, including a demonstration of the need to be in residence in Washington, D.C.; (2) a course proposal for the seminar course to be taught as part of the undergraduate program; faculty are encouraged to incorporate the political, cultural, and/or artistic resources of Washington DC into their elective course; (3) the name, course number, and description of a second course that the applicant could teach as an alternative, in the event of overlapping course offerings at the Center; (4) a curriculum vitae, with a complete list of publications and other pertinent accomplishments; and (5) a letter of endorsement from the department or program chair.
