

Washington Summer Program Internship #12

National Gay & Lesbian Task Force - Policy Institute Division

Hi Summer Students

The Policy Institute at the National Gay & Lesbian Task Force is looking for summer interns. Please address your cover letter to Jamie Grant, Director Policy Institute. Email me your cover letter and resume and I'll forward it on to her. Here is what Ms Grant has to say about the internship:

"We will be doing two rather huge projects here right now – one is a survey of statistical data collected by the federal government, to see where there are new possibilities for collecting data on LGBT people, and the other is the largest survey of discrimination against transgender people in the US ever mounted. We'll need help with both of these project, so sociology students, students with an interest in government, students who'd like to be part of a major research project – send them our way!"

For more information about the organization, review their website, [http://www.thetaskforce.org/our work/policy institute](http://www.thetaskforce.org/our_work/policy_institute). Thanks. - sl
