

Washington Spring Program Internship #12A

UC Federal Government Relations

Hi Spring Students,

This is a very good internship. Past Davis students have given this high marks. The office is on the 2nd floor of the Wash Ctr building so you don't have far to go to report to work! You can check out their website at <http://www.ucop.edu/federal/> for more information on what they do (the lobbying arm of the UC system). If you are interested apply directly to Carolyn Henrich. Please let me know that you have applied so I can follow-up. – sl
