A California Democrat is currently seeking a motivated and flexible un-paid intern for his Washington DC office. The internship involves answering phones, assisting with incoming mail, researching legislative issues, attending lectures and hearings, leading tours of the Capitol, working with legislative staff on special projects and assisting with other general office duties. Candidates must be self-starters, detail oriented, have excellent writing and communication skills, and be able to multi-task. **California ties are a plus.** This is a great opportunity for college students and graduates seeking Capitol Hill experience.
