## INTERNSHIP POSITION AVAILABLE SPRING 2008

### **Position:**

American Strategy and Economic Growth Internship

### **Description:**

The New America Foundation seeks interns for the American Strategy (foreign policy) and Economic Growth Programs for Spring and Summer of 2008.

Internship responsibilities will consist primarily of research and writing on topics related to foreign affairs such as nuclear non-proliferation, Iran, the war in Iraq, Cuba, in addition to various economic issues including international finance, the impact of domestic infrastructure investment and growth of the middle class. We are seeking driven and innovative people who

seek intellectual freedom, but are also able to work as part of a team. Administrative responsibilities are minimal.

For more information on our work and programs, please see the following websites:
