

UC DAVIS
WASHINGTON PROGRAM

Fall 2017 NON-FINANCIAL AID HOUSING INFORMATION

This information is for non-financial aid students

The rent at the Washington Center is \$3,421.00. Housing Fees are broken into 3 installments plus a one-time processing fee of \$20.00. Please disregard the payment instructions sent to you by myaccount@ucdavis.edu regarding your Washington Program housing payments and follow the instructions below. Please note that you will NOT receive a bill or invoice. You must attach your check to a Payment Coupon each time you make a payment.

How to Make a Payment

We prefer that all housing payments be submitted directly to the cashier's office in Dutton Hall (mailing address can be found on the [Cashier's Office website](#))

How NOT to Make a Payment

We urge you to **NOT** submit your housing payment via MyBill as funds applied through this method will first be applied to **any** delinquent UC Davis charges or outstanding registration fees before they are applied to your Washington Program Housing fees. However, if your account has a zero balance with exception of housing balance, you may pay using MyBill.

It is the student's full responsibility to make payments by the payment deadlines. Payments submitted after the deadline will be considered delinquent, and a \$75 late fee will be applied to the account for each occurrence. Payments must be received before the deadline passes; postmarks are not used to determine the date of payment. Students who are unable to pay their housing fees by the deadline should contact Cheryl Purifoy at 530-752-6652 or [**washingtonprogram@ucdavis.edu**](mailto:washingtonprogram@ucdavis.edu) before the payment deadline passes in order to establish an alternative payment plan and to avoid a late fee.
